

Dreams and complaints

Dreams:

1. I want to go outside freely without mask.
2. I want to play with my friend like watching movies during the outbreak.
3. I want to share my idea freely with my classmates not online.
4. I want to breathe freely during the outbreak.
5. I want to access to public places freely.
6. I want the masks can appear anywhere I want to find them.

Complaints:

1. I hate stay home the whole day and do nothing.
2. I hate that cinemas shut down during the outbreak.
3. Online classes at home every day make me complain.
4. I hate the feeling enclosed in a mask.
5. I hate being stopped in front of the public places because I forget my mask.
6. It makes me be agitated when I am hurry to do something but can't find a mask.
